Universal Industries Limited Inc. will market and sell your existing or excess inventory for **absolutely FREE**. You provide us with a listing of your existing or excess inventory on an exclusive or non-exclusive basic and your Inventory will be exposed to the largest group of buyers in the aviation, aerospace & defense industry in over 115 countries worldwide. We pay all the cost of marketing your inventory and we handle all communications with the buyer. The best part of this service is that when we locate a potential buyer for your part(s), you can sell the part(s) to us at a cost that you have already establish, and we will pay you based upon our agreed payment terms. The only effort put forth by you is to provide us with a fair market cost and a stock status at the time of our quote request. If we succeed in selling that particular item, it would have cost you absolutely **ZERO marketing dollars** to move that item off your shelf and into the customer hands. It's that simple. Please contact us for further details about this service.

Your Inventory listed on

- ◆ ILS
- ◆ PARTSBASE
- ◆ DATA ACCESS
- ◆ PARTS LOGISTICS

Why pay for these services when we already do. This is more than \$6000 in savings. Your Inventory will be exposed to thousand of potential buyers free of cost to you. Why pay for a service if you don't have too.
